

Finder fee agreement and work plan

OMEGA

**ES ENERGY
STORAGE**

THIS AGREEMENT is made this 18 day of May, 2022 by and between Alexey Tsvetochkin (representing The Omega project private, which is a private person owned business with no registration required under laws of Thailand), hereinafter referred to as ("CONSULTANT") and the Energy Storage Pty Ltd hereinafter referred to as ("CLIENT").

The following represents our agreement, in consideration of each other's promises or acts with respect to this Finder's Fee Agreement. Consultant has introduced and/or will introduce potential Investors to Client in return for Client's agreement to pay Consultant (or nominee) compensation for these introductory services in total amount of \$5000 USD (five thousand dollars) as follows:

- 70% of the fees (which is \$3.500, three thousands and five hundred USD) paid upfront in advance and the payment made by Client confirms that he is agreed to all the conditions and work plan listed below;
- 30% of the fees (which is \$1.500, one thousand and five hundred dollars) paid after Consultant completes the work plan and provide a Client with a detailed report, including prospect investors direct contacts and all the preliminary correspondence

Seeking amount: \$15.000.000 (fifteen million dollars)

Investment conditions: may vary, negotiable directly by Client and may include direct loan option.

The Investors, i.e., those investors which the Consultant will introduce to Client, will be named and listed by cover letter(s), and such letters shall be governed by, and included under the provisions of this Agreement.

Consultant will not engage in any negotiations whatsoever on behalf of Client or any investor. Consultant may only contact prospect investors with a project pre-assessment message, which will be created upon full project research completion, and other documentation received from Client. Consultant may provide Client or any investor with information which may be used as a basis for such negotiations. Consultant will have no responsibility for nor will Consultant make recommendations concerning the terms, conditions or provisions of any agreement between Client and an investor, including the manner or means of consummating the transaction.

Consultant service does not include the work of conducting further negotiations with those who are interested in the Client's project.

This Finder Agreement ("Agreement") is effective as of the date of the first payment reception from Client to Consultant and establishes the terms and conditions under which Energy Storage Pty Ltd (the "Client"), agrees to engage ("Consultant"), to assist the Client in obtaining financing.

Statement of Services

(a) Consultant shall identify and introduce to the Client potential investors.

(b) Consultant acknowledges that (i) the Client is free to contact potential investors directly and engage other Consultants, (ii) the Client may determine, in its sole discretion, whether a potential investor identified by Consultant shall constitute a Qualified Investor, (iii) the Client may determine, in its sole discretion, whether to accept an offered investment.

(c) Consultant may have to update Client website to include tracking codes and substitute phone numbers or perform any other updates needed to properly track visitor flow and sources. That does not include any visual and/or content modifications.

(d) Consultant may implement a multiple language neural translation to a Client website, which visually adds a language switcher.

Reporting / feedback

(a) The Consultant provides the Client with a report that is available online and updated as the individual tasks of this agreement are completed. Reporting has to include the details of investors, with whom Client's project was discussed and their comments (if any), as well as the results of email mailings to Consultant's investment database, with full statistics and reporting and separately received responses to mail, calls and transitions to the site.

(b) The Client sends feedback to the Consultant as contacts are received from prospective investors, in terms of quantity, quality and conditions offered once a week.
